"Readers, hold on... it's a crazy ride. If you like your erotica dark and dirty, then this is the book for you."

--*The Romance Reviews*

Hidden behind the Fables Hotel's respectable facade, lies five rooms specially adaptable to cater for its guests erotic requirements.

When Mrs Peters, the mistress of the hotel's exclusive entertainment facility, meets new booking clerk, Jess Sanders, she instantly recognises the young woman's potential as a deliciously meek addition to her specialist staff. All it will take is a little education.

Under the tutelage of the dominatrix, Miss Sarah, Jess learns to cope with her unexpected training schedule, the increasingly erotic chill she experiences each time she survives a new level of correction, and a truly sexy exercise routine. Temporarily distracted from her intimidating rule over Fable's top floor by enigmatic artist, Sam Wheeler, Mrs Peters plans how she can secure his obedient assistance, in moulding Jess into the perfect submissive...

No sooner had Jess Sanders accepted and embraced her role as submissive however, that Mrs Peters, informs her, and Miss Sarah, that they have been loaned to The Retreat, hidden away in the remote glens of Scotland. Suddenly, Jess finds herself caught in an erotically mind-bending, fairytale experience at the hands of David Proctor, and his staff. Desperate to leave The Retreat, and return to her submissive position at Fables Hotel, Jess finds herself trapped and collared by Proctor, who wants to keep her all to himself.

Wearing a collar of obedience to a master she despises, Jess is told by Proctor, that if she wants to return to the Fables hotel, she will have to go on a very specialised quest.

With a list of five unknown addresses in her hand, Jess is placed in a car and driven from The Retreat towards England. With no idea what or who awaits her at each stop, all Miss Jess Sanders can hope for is that her journey will eventually take her back to the Fables Hotel, where she truly knows her place...
