Catherine McIntyre

Visual Alchemy: The Fine Art of Digital Montage Catherine McIntyre

Catherine McIntyre, like many fine artists, created traditional art for decades before encountering the versatility of digital imaging technology. Free of her Rotring pens and scalpel, she now uses Photoshop to create her montages. *Visual Alchemy* explores McIntyre's sources of inspiration as well as her methods, offering an aesthetic guide to composition, color, texture and all of the other means of communication that artists have at their disposal. While these concepts and techniques make use of Photoshop, they will apply to any digital imaging program and indeed to any medium, whether traditional or digital. Featuring McIntyre's own art as well as that of artists around the globe, *Visual Alchemy* is an invitation to discover the artistic possibilities of picture making through digital montage.

From reader reviews:

Brandy Hagaman:

Nowadays reading books be a little more than want or need but also be a life style. This reading practice give you lot of advantages. The huge benefits you got of course the knowledge the rest of the information inside the book that improve your knowledge and information. The details you get based on what kind of publication you read, if you want send more knowledge just go with knowledge books but if you want sense happy read one having theme for entertaining for example comic or novel. Typically the Visual Alchemy: The Fine Art of Digital Montage is kind of reserve which is giving the reader erratic experience.

Megan Urick:

Information is provisions for those to get better life, information these days can get by anyone on everywhere. The information can be a know-how or any news even a concern. What people must be consider any time those information which is from the former life are difficult to be find than now's taking seriously which one is acceptable to believe or which one typically the resource are convinced. If you receive the unstable resource then you get it as your main information it will have huge disadvantage for you. All of those possibilities will not happen with you if you take Visual Alchemy: The Fine Art of Digital Montage as the daily resource information.

Nicholas Buchanan:

Is it an individual who having spare time and then spend it whole day through watching television programs or just laying on the bed? Do you need something new? This Visual Alchemy: The Fine Art of Digital Montage can be the solution, oh how comes? A book you know. You are and so out of date, spending your extra time by reading in this completely new era is common not a nerd activity. So what these guides have than the others?

Ryan Barrett:

A number of people said that they feel fed up when they reading a guide. They are directly felt that when they get a half parts of the book. You can choose the actual book Visual Alchemy: The Fine Art of Digital Montage to make your personal reading is interesting. Your current skill of reading ability is developing when you such as reading. Try to choose very simple book to make you enjoy to read it and mingle the opinion about book and examining especially. It is to be initial opinion for you to like to available a book and examine it. Beside that the guide Visual Alchemy: The Fine Art of Digital Montage can to be your brand new friend when you're experience alone and confuse in what must you're doing of their time.
