Perfect for young minds in a constant state of learning, *Drawing Animals from A to Z* teaches children about their favorite furry, scaly, and feathered animals through art, ABCs and shapes. This fun, educational book opens with easy warm-up drawing exercises and an introduction to the basic shapes: circle, oval, square, rectangle, and triangle. From there, children are invited to follow simple step-by-step instructions to draw each A to Z animal, starting with a basic shape and progressing to a finished color final piece of art. Projects include children's favorite domestic and exotic animals, including a dolphin, ferret, jaguar, koala, puppy, toad, and many more, while a paper pad includes an unfinished drawing of each featured animal with a prompt for children to complete, as well as the capital and lowercase letter representing the animal. *Drawing Animals from A to Z* educates children as they draw these wild and tame animals found all over the world, providing an enjoyable, well-rounded artistic and educational experience.
