Seven boys adopted from the foster care system by Alec and Maggie Donahue, a loving Irish couple living in Breeze Point, Cape Cod. Now grown men, the brothers are making their way in the world in their chosen professions, each hoping to find a love to last a lifetime. Faith. Family. Honor. And an abundance of love.

Seven Brides, Seven Brothers series

### The Millionaire

Self-made businessman Brandon Donahue has walked the halls of Ivy League colleges, conquered Wall Street and built up his small company into a multimillion dollar business. Now, after moving his company to Cape Cod, Brandon is back in the fold of his loving family. Dumped on live television by his supermodel girlfriend, Brandon is more humiliated than heartbroken. Yet he still yearns for the type of love his brothers have found.

Principled beauty, Rose Maddock has been Brandon Donahue's secretary for five long years. And for all that time she's tried her best to find things about him to like. In her opinion, he's arrogant, and way too blunt for her liking. And he seems to think life revolves around his business. When Brandon moves the company to Cape Cod, Rose starts fresh in Breeze Point with her six year old son, AJ. When she strikes a bargain with Brandon that revolves around him including AJ in his family's holiday events, she begins to see a whole new side of Brandon.

But is it wise to mix business with pleasure?
