Magnet (Lacuna)

David Adams

Magnet (Lacuna) David Adams

It's 2037. I'm Mike Williams, but you can call me 'Magnet'. Everyone else does. It's short for 'Chick Magnet', which is good old-fashioned military humour at its finest. At age fifteen, my face picked a fight with the propeller of my family's boat, on a shoal near Broome, off Western Australia. It was an accident, but, needless to say, the propeller won.

Twelve years later, I was a not-so-ruggedly-handsome fighter pilot assigned to the TFR Sydney. Not the Captain, or flight leader, or anything similarly exciting. Nobody special, just one mostly-unmemorable pilot among the many nameless, faceless masses.

I'm Magnet. This is the beginning of my story.

A 5500-word story in the Lacuna universe, set during the events of Lacuna: The Sands of Karathi.

From reader reviews:

Barbara Tucker:

Reading a e-book can be one of a lot of exercise that everyone in the world loves. Do you like reading book so. There are a lot of reasons why people enjoy it. First reading a e-book will give you a lot of new facts. When you read a publication you will get new information due to the fact book is one of various ways to share the information as well as their idea. Second, looking at a book will make an individual more imaginative. When you examining a book especially tale fantasy book the author will bring someone to imagine the story how the figures do it anything. Third, you can share your knowledge to other folks. When you read this Magnet (Lacuna), you may tells your family, friends and soon about yours reserve. Your knowledge can inspire the mediocre, make them reading a e-book.

Kathryn Kern:

Are you kind of hectic person, only have 10 or perhaps 15 minute in your moment to upgrading your mind skill or thinking skill perhaps analytical thinking? Then you have problem with the book in comparison with can satisfy your short period of time to read it because this time you only find book that need more time to be read. Magnet (Lacuna) can be your answer because it can be read by you who have those short time problems.

Anthony Brown:

What is your hobby? Have you heard in which question when you got college students? We believe that that question was given by teacher with their students. Many kinds of hobby, All people has different hobby. And you also know that little person just like reading or as studying become their hobby. You have to know that reading is very important along with book as to be the matter. Book is important thing to incorporate you knowledge, except your personal teacher or lecturer. You find good news or update with regards to something by book. Amount types of books that can you choose to adopt be your object. One of them is niagra Magnet (Lacuna).

Debra Heffner:

Reading a e-book make you to get more knowledge from the jawhorse. You can take knowledge and information coming from a book. Book is composed or printed or descriptive from each source that will filled update of news. In this particular modern era like currently, many ways to get information are available for anyone. From media social such as newspaper, magazines, science reserve, encyclopedia, reference book, fresh and comic. You can add your knowledge by that book. Isn't it time to spend your spare time to open your book? Or just searching for the Magnet (Lacuna) when you essential it?
