Can Jake convince Rachel to relinquish control, or will the ghosts of her past come back to haunt them both?

Rachel isn't looking for anything except a place to hide from her stalker when she meets Jake. The tall, musclebound bartender is any girl's fantasy come true, and he is eager to help her when she finds herself stranded in the tiny, southern town. What she wants to know is, why?

Rachel can't put her finger on it, but she's sure Jake is hiding something from her, something big. She's been burned bad in the past, which makes trusting him almost impossible, but he is persistent. He's relentless.

The shifter will stop at nothing to claim his mate.

Jake's bear recognizes something magic about the curvaceous beauty right away. He devises a plan to keep her close, and ensure her safety, but can he save her from the madman before it's too late?

This standalone story includes a happily ever after and no cliffhanger!
