With roots buried in the good earth and branches that stretch longingly up to heaven, trees are the ultimate metaphor for human existence. Their consistent appearance in stories and fables of all cultures attests to the importance that trees have in the human struggle and the human psyche. This fact has been especially influential to Armender Banks who explores the various roles that trees play in God's revelation. Her book, *Trees of Righteousness*, examines how the Tree of Knowledge of Good and Evil and the Tree of Life, among others, were used by the biblical authors to reveal God's word to God's people. Go along with Banks as she takes you through the scriptures with a new insight to gain a better understanding of the Bible.
