Meet the Beacon Street Girls...

**They're real, they're fun -
they're just like you!**

A family history project for school is giving the Beacon Street Girls a lot to think about -- especially Avery. She's got three families: her mother and brothers at home, her father in Colorado, and the birth mother she never really knew. But family is an uncomfortable subject for Maeve. Her parents have just separated, and she doesn't want to talk about it to anyone, not even her best friends in the world, the BSG. Can a bundle of old letters make Maeve see her family in a new light and give her something to share with the Beacon Street Girls?
