Los documentados (Spanish Edition) Yolanda Arroyo Pizarro

Este libro fue Premio PEN Club de Novela 2005. La escritora Yolanda Arroyo Pizarro retrata las desventuras de la inmigración ilegal dominicana a la Isla en su nueva novela, 'Los documentados', una obra en la que pasado y presente se funden en un drama de odio, prejuicios y desilusiones. La novela es de intriga, confabulaciones e introspección existencial, pero tras la trama se esconde un trabajo de investigación exhaustivo llevado a cabo por muchos años de entrevistas, observancia y recolección de titulares. Yolanda Arroyo Pizarro, en su debut como novelista, refleja la condición humana con todos sus matices desde los adoloridos rostros de una madre, un hermano, una abuela, a la vez que retrata de forma solemne el ansia de poder, la impotencia ante las circunstancias, la ambición desmedida, y las desavenencias por el intento de superación que en muchas ocasiones se quedan en un simple simulacro.
