Seneca's writings are still changing people's lives 2,000 years after they were written.

"As long as you live, keep learning how to live." – Seneca

"Life is long if you know how to use it." – Seneca

"It's not that we have little time, but more that we waste a good deal of it." – Seneca

"It is not because things are difficult that we do not dare; it is because we do not dare that things are difficult." - Seneca

Lucius Annaeus Seneca (4 BC – AD 65) was born in Córdoba, Spain, the second of three sons in a wealthy family. As a child he lived in Egypt and Rome before beginning a career in law and politics. He was a Stoic philosopher and dramatist whose tragedies (including *Phaedra*, *Oedipus*, & *Medea*) were a major influence on the work of Western dramatists such as William Shakespeare, Pierre Corneille and Jean Racine. Seneca was a tutor and advisor to the emperor Nero, but was forced to commit suicide for alleged involvement in a plot against the emperor.
