John Morton

Tennyson Among the Novelists (Continuum Reception Studies) John Morton

Until now, the study of literary allusion has focused on allusions made by poets to other poets. In *Tennyson Among the Novelists*, John Morton presents the first book-length account of the presence of a poet's work in works of prose fiction.

As well as shedding new light on the poems of Tennyson and their reception history, Morton covers a wide variety of novelists including Thomas Hardy, James Joyce, Evelyn Waugh, and Andrew O'Hagan, offering a fresh look at their approach to writing. Morton shows how Tennyson's poetry, despite its frequent depreciation by critics, has survived as a vivifying presence in the novel from the Victorian period to the present day.
