It gives me great pleasure to bring to you this collection of THE VERY BEST COMICS OF U KORN. There were many who criticized this endeavor and said things like, “How can you release a ‘Best Of’ book when you’ve never released any of this before?” and “Maybe you shouldn’t drink so much in the morning”, but I respond to my critics and say that I saw that U Korn was a very talented comic artist, and I see that his work is heading quickly downhill, and I’m very confident that this will be his very best work. (From the Editor's Foreword)
