Viva la publicidad viva 5. Emoción, síntesis y experiencia interactiva para branding Jorge Molina y Andrés Morán

Viva la publicidad viva es uno de esos libros que la gente suele decir que recuerda a pesar del paso de los años. Precisamente, esta edición no es un repaso por los temas del ayer sino una visión publicitaria del futuro, dedicada a los amantes de las industrias creativas y sobre todo a aquellos interesados en la publicidad como el Rock n' roll de los negocios. Leer la presente obra es una experiencia imprescindible para estudiantes y profesionales que quieran saber más sobre el controversial mundo de la publicidad, porque por primera vez un libro en español sobre esta forma de comunicación comercial tiene un lenguaje fácil y descompilado, que ha hecho que miles de lectores se involucren fácilmente con los temas tratados. En Viva la publicidad viva 5 se explican en detalle y con ejemplos modernos los conceptos básicos del fortalecimiento de marcas, con adiciones obligadas en aspectos. Sin duda, este libro hará del lector un excelente persuasor.
