We So Seldom Look on Love Barbara Gowdy

Now in paperback, this masterfully crafted story collection by the author of the internationally best-selling novel *Mister Sandman* is a haunting book that is certain to both disturb and entertain. With a particular focus on obsession and the abnormal, *We So Seldom Look On Love* explores life at its quirky extremes, pushing past limits of convention into lives that are fantastic and heartbreakingly real. Whether writing about the dilemma of a two-headed man who attempts to expunge his own pain, the shock of a woman who discovers she has married a transsexual, the erotic delusions of a woman who repeatedly exposes her body to an unknown voyeur, or the bizarre predilections of a female necrophile (a story made into the acclaimed motion picture, "Kissed"), Gowdy convinces us with incisive detail, only to disarm us with black humor.
