The Renegade's Mail Order Bride

Abigail is 28 and grew up in London. She lost her family in a terrible accident when their yacht sank. Three years after the accident she found herself in a financial mess and as a last resort sold herself to a Rancher in Texas who needed a bride as part of a business transaction.

Abigail took the plunge and arrived in a new world. She had only two weeks to prepare for a wedding and win over the small community on the ranch. Nothing could prepare her for what lay ahead...

The Outlaw's Mail Order Bride

Billy Jameson is an outlaw in the old Wild West, a troublemaker and a cowboy who just refuses to grow up. Good thing his father is the local sheriff and keeps making excuses for his free-wheeling shenanigans. However, when Billy goes too far in an over-the-top prank, he upsets his father who decides to teach him some responsibility the unconventional way—by ordering him a mail order bride.

Billy wakes up to find the sassy Jane Garrett in his home, his mail order bride bought and paid for but not too submissive. In fact, she acts kind of like Billy—a renegade and calamitous woman in her own right. She has just come from an abusive relationship and doesn't want any part of love. Will these two hard-hearted gunslingers be able to work out their differences and make this sham marriage work from a business perspective or will they do the unthinkable and fall in love like two fools?
