The most decorated soldier in World War I was not Sergeant Alvin York, as many believe, but a stretcher bearer named Charles Denver Barger. And Barger is just one of the legion of military medical personnel whose lifesaving feats are remembered in this inspiring volume. A tribute to those who tend the sick and wounded under the toughest conditions, Doc is made up of the sometimes humorous, often harrowing, and always heartfelt memoirs of quick-thinking medics and heroic nurses, of surgeons and physicians equipped with only the tools of mercy, performing acts of great courage.
