Security Jackson Marshall

Living straight as an arrow after time in prison for his part in a bungled robbery as a young man, Tony is planning on a better future for himself and his daughter when he reaches a crossroads in life.

He's torn as he meets and falls for Penny, a stunning, confident air traffic controller; suddenly aware that he has little to offer ...unless something changes, and fast.

Feeling the strain between the life he now lives, his past, and the future he wants to dazzle her with, Tony is tempted by new variations on old and dangerous ideas.

Set in England, this compelling tale is a crime novel about taking your chances in life, a literary novel about armed robbery.
