Some Folks Feel the Rain . . . Others Just Get Wet. What does that mean? It means that some folks are vividly aware of what's going on around them; they are tuned in, sensitive, receptive, responsive. They lead with their hearts, they feel the joy, and they triumph over the pain. But, sadly, many people today don't celebrate; they just cope. They don't enjoy; they just endure. They don't embrace life; they just idle through it. Some Folks Feel the Rain . . . Others Just Get Wet is another way of saying that some people smell the roses, while others just complain about the thorns. Some folks see our time on this earth as a gracious gift from God, while others see it as an agonizing endurance test. Some people have the ability to celebrate life with an abundance of gratitude, laughter, and a sense of partnership with God. Well, how is it with you?
