The Blackjack Zone is for the player who wants to know what works, what doesn't and why. In a casual, humorous, and easy-to-read manner, Eliot Jacobson takes you through basic strategy, the skills necessary to survive as a hobbyist, and then on to card counting and advantage play. To the average player, the information in this book may be worth \$200,000 or more. Revised and updated with a new preface by the author.

The Blackjack Zone explains:

- What Basic Strategy is and how to use it
- How to become an advantage player
- How to choose the right game, dealer and casino
- How to separate myths about blackjack from the realities of the game
- How to think like a winner and much more
