**Boys are mysterious creatures, with rich imaginations and inner lives at which most can only guess. Luckily, a few writers have the talent to capture their fantasies of extraordinary adventure and epic bravery. Inspired by the success of *The Dangerous Book For Boys*, the six titles of the *Penguin Great Books For Boys* collection celebrate the adventurer within every boy with tales of shipwreck, murder, espionage, and survival. With a striking series look that is nostalgic and, at the same time, completely modern, these Great Books For Boys are sure to appeal to boys young and old.**

In a park in London, secret policeman Gabriel Syme strikes up a conversation with an anarchist. Sworn to do his duty, Syme uses his new acquaintance to go undercover in Europe's Central Anarchist Council and infiltrate their deadly mission, even managing to have himself voted to the position of 'Thursday'.

When Syme discovers another undercover policeman on the Council, however, he starts to question his role in their operations. And as a desperate chase across Europe begins, his confusion grows, as well as his confidence in his ability to outwit his enemies.

But he has still to face the greatest terror that the Council has?its leader: a man named Sunday, whose true nature is worse than Syme could ever have imagined?
