This workbook is decorated with butterflies to inspire interest in learning and practicing the art of cursive handwriting. (The butterfly images appear in grayscale to keep the price affordable. This also makes the images less distracting.) The goal of the butterfly theme is to help make learning fun, whether in the classroom or at home.

These exercises begin with basic practice of individual letters and gradually build up to more advanced writing with complete sentences:

1. Trace and copy individual cursive letters.
2. Trace and copy cursive letter blends (like 'br' and 'ws').
3. Trace and copy butterfly-related words.
4. Copy phrases that relate to butterflies.
5. Copy sentences that relate to butterflies.
6. Rewrite printed sentences in cursive handwriting.
7. Respond to writing prompts in cursive handwriting.

May your students or children improve their handwriting skills and enjoy reading and writing these butterfly-themed writing exercises.
