## **Caballo de Troya 1. Jerusalem (Spanish Edition) J. J. Benitez**

Tal como afirma el propio J. J. Benitez, adelantar el argumento y la naturaleza de Caballo de Troya es quebrar el desconcertante misterio que encierran sus paginas. Podemos apuntar, eso si, que para la elaboracion de esta obra el autor se ha basado en una documentacion real, depositada hace anos en Estados Unidos. Una documentacion que pone al descubierto multitud de datos nuevos sobre la figura y obra de Jesus de Nazaret. Podemos asegurar que -tal y como sospecha buena parte de la humanidad- las grandes potencias ocultan muchos de sus proyectos espaciales y militares, y Caballo de Troya es una prueba mas de ello. Podemos revelar, por ejemplo, que en 1973 las Fuerzas Aereas norteamericanas, despues de varios anos de preparacion y tras un sinfin de peripecias, ejecutaron en pleno corazon de Israel uno de sus proyectos supersecretos que fue bautizado, precisamente, como Operacion Caballo de Troya. Pero no podemos avanzar al lector como se consiguio esa fascinante documentacion confidencial por parte de J. J. Benitez, ni tampoco el asombroso desarrollo de la referida operacion y su desconcertante final. Seria romper el encanto de Caballo de Troya, primer libro testimonio del periodista y escritor navarro... En palabras del autor: ...sera el futuro, como sucedio con Julio Verne, quien pondra de manifiesto si este relato fue o no veridico.
