Poor Ginny Bloggs! She had inherited a fortune, a magnificent country estate, and her benefactor's disgruntled relatives - a quartet of querulous schemers - who were horrified to find themselves suddenly at the mercy of a low, common girl; a total stranger - the coal merchant's daughter! Poor Ginny Bloggs! The handsome Lord Gerald de Fremney himself had pledged to keep the more unruly relatives in line. He thought he understood thoroughly modern women. Her reluctant guardians thought they understood society. Such was Ginny Bloggs; as delicate as a china doll, as bold as brass. She understood them all, and now she was going to teach them all what it meant to be a lady!

## ABOUT THE SERIES

In this whirlwind series, Marion Chesney brings us spirited, independent women who are at once bewitching, beguiling and determined to have their say and make their mark on both their world and the world at large, be it within their social circle or extending beyond. Here is life in all of its folly and foibles in a dizzying place where dreams are both shattered and made.
