So ALL VOICES May Be Heard: Writing from and about Women

Women have typically been lumped into different categories; wife-mothers in one box, single happily childless in a different and oft-hated box, lesbians in another, and so on. The editor was inspired to work to unite all different types of and views on women after spending a lifetime being discriminated against by straight and gay women alike for her being a nonconformist to any of their lifestyle choices. And to create a platform for people of all lifestyle choices to express themselves and show the true diversity of womanhood, told from women's and men's perspectives.
