Technical Writing for Success (Applied English) Darlene Smith-Worthington, Sue Jefferson

Taking an applied approach to teaching workplace writing, TECHNICAL WRITING FOR SUCCESS 3E is a comprehensive text designed to focus on skills that employers demand in today's workplace--thinking, listening, composing, revising, and editing. Students are encouraged to acquire many workplace skills through integrated and applied instruction so that mastering technical writing is relevant and exciting. Abundant model documents reflect Office 2007 formats and include questions providing critical thinking opportunities. This comprehensive text features an engaging writing style, student and real-world models, write-to-learn activities, expanded oral presentation coverage, and much more. TECHNICAL WRITING FOR SUCCESS 3E provides instruction on the less common documents not covered in general communication texts, e.g., proposals, news releases, science lab reports, and instructions. Chapter contents include technical research; writing for the Web; brief informative, brief investigative and recommendation reports; as well as technical reading.
