When Ashley catches her husband Robert in the arms of another woman, their relationship takes a hit that may never heal. But it wasn't just about another woman. Robert had secrets. He wanted to be babied. He wanted someone to take control of him.

And now that Ashley knows, that's exactly what she plans to do. She'll give her husband one choice, and one chance, to save their marriage. He can give into her, and become her baby boy just like he's always dreamed about, or he can act like a man and walk out the door. If he gives in, she'll force him into diapers, and make him crawl around behind her while he sucks on a pacifier. And if he doesn't, he'll lose Ashley forever.

But whatever Rob chooses, his wife has more plans to punish and humiliate him. Ashley will turn the tables on her cheating husband and bring a stranger into their bed. She'll give Robert a dose of his own medicine, and let a real man take her, as long and as hard as he wants.

Now Rob has to make a choice. Leave his wife and end his marriage, or put on his diaper and drop to his knees so he can start Becoming Her Baby Boy...
