With Step by Step Instructions with Detailed Pictures to Teach You the Basics of Crocheting

If you are looking for a fun hobby that will give you the satisfaction and thrill of creating useful and beautiful projects, crochet is for you. In this book we will start from the very beginning. I am writing this book for absolute beginners, so if you've never picked up a crochet hook don't worry. Together we will learn all about yarn, crochet hooks and equipment, basic stitches, Granny Squares, color changes, and I will share some free patterns for you to try out your new skills.

Don't waste time, Learn this today!

This book contains proven steps and strategies on Learning How to Crochet.

One word of advice (okay so more than one word I can go on a bit) take your time. Be patient with yourself and if you make a mistake don't fret. I still have to rip out stitches and sometimes if I have a new pattern that is complex I may have to work it two or three times to get it right. No one is perfect, and after all you're just learning. We all are no matter what our skill level may be. After all these years I'm still learning new stitches and new ways to do things so don't think you have to know everything at once. Also don't tackle a huge project when you're just starting out. Start with small simple projects so you can build your confidence and practice your skills.

Crochet is fun, it is creative, and it is time to get started!
