"The couples, colleagues and collaborators who have loved and worked the hardest, longest and most publicly over the past 50 years are revealed in probing, wide-ranging and provocative interviews that first appeared in Playboy magazine. From the tempestuous Roseanne Barr and Tom Arnold to the eternally devoted John Lennon and Yoko Ono to the comically intertwined Cheech Marin and Tommy Chong, these duos are the best evidence yet that two is always better than one.

Coupling is part of the 50 Years of the Playboy Interview e-book series, for which the magazine's editors have culled the most famous and infamous Playboy Interviews with men and women from arts, business, entertainment, politics and sports. "
