You Can't Control What Happens to You

But You Can Control How You Will Respond!

Â

As a teenager Nick Vujicic wondered how he ever could have a "normal life." Born without arms and legs, Nick questioned how he would finish school, find a job, enjoy relationships, and not be a burden to others. He even contemplated suicide before realizing that his challenges did not need to limit his life.

Â

In *Your Life Without Limits*, Nick tells why circumstances should not rule your life and how hope changes everything for the better.
