Three Stories: Rabbit Run, Rabbit Redux, Rabbit is Rich John Updike

Rabbit, Run (1960) is the book that established John Updike as one of the major American novelists of his-or any other-generation. Its hero is Harry "Rabbit" Angstrom, a onetime high-school basketball star. We meet him for the first time in this novel, when he is 22, and a salesman in the local department store. Married to the second best sweetheart of his high school years, he is the father of a preschool son and husband to an alcoholic wife. The unrelieved squalor and tragedy of their lives remind us that there are such people, and that salvation, after all, is a personal undertaking. In Rabbit Redux (1971), "Rabbit" Angstrom, failed hero of "Rabbit Run", is back. He has changed, somewhat for the worse. His marriage is collapsing, his job is becoming redundant and outside pressures disturb his peace of mind; but in the end, he achieves a kind of peace, the peace of exhaustion, perhaps. In Rabbit Is Rich (1980) - which won both the National Book Award and the Pulitzer Prize - ten years after the hectic events described in Rabbit Redux, Harry has come to enjoy considerable prosperity as Chief Sales Representative of Springer Motors, a Toyota agency in Brewer, Pennsylvania. The time is 1979: Skylab is falling, gas lines are lengthening, the President collapses while running in a marathon, and double-digit inflation coincides with a deflation of national confidence. Nevertheless, Harry Angstrom feels in good shape, ready to enjoy life at last - until his son, Nelson, returns from the West, and the image of an old love pays a visit to his lot. New characters and old populate these scenes from Rabbit's middle age, as he continues to pursue, in his erratic fashion, the rainbow of happiness.
