Two Write a Wrong (To Write a Wrong) Mr. E. Mann

Two Write a Wrong is the sequel to the autobiography of Mr. E. Mann. In his first story, Mr. E revealed the murderous good deeds that provided the foundation for his inspirational novels. The world was devastated by the revelation that the most prolific author of our time was actually an altruistic murderer that killed his characters in reality before transforming them into happy endings in fiction. To Write a Wrong chronicled that infamous author's life from start to finish. However, if we learned anything from the mann, it is that ending a life doesn't necessarily end a story. That final bowl of cereal was ultimately unable to deliver the conclusion it was meant to provide. As it turns out, To Write a Wrong was only part one of the story. This is part Two.
