Drugs Unlimited: The Web Revolution That's Changing How the World Gets High Mike Power

The very first thing ever bought or sold on the Internet was marijuana, when Stanford and MIT students used ARPANET to cut a deal in the early '70s. Today, you can order any conceivable pill or powder with the click of a mouse. In *Drugs Unlimited*, Mike Power tells the tale of drugs in the Internet Age, in which users have outmaneuvered law enforcement, breached international borders, and created a massive worldwide black market.

But the online market in narcotics isn't just changing the way drugs are bought and sold; it's changing the nature of drugs themselves. Enterprising dealers are using the Web to engage highly skilled foreign chemists to tweak the chemical structures of banned drugs?just enough to create a similar effect and just enough to render them legal in most parts of the world. Drugs are marketed as "not for human consumption," but everyone knows exactly how they're going to be used?what they can't know is whether their use might prove fatal.

From dancefloors to the offices of apathetic government officials, via social networking sites and underground labs, Power explores this agile, international, virtual subculture that will always be one step ahead of the law.

From reader reviews:

Trisha Sherman:

What do you about book? It is not important along? Or just adding material when you require something to explain what the one you have problem? How about your free time? Or are you busy man? If you don't have spare time to complete others business, it is give you a sense of feeling bored faster. And you have spare time? What did you do? Everyone has many questions above. They need to answer that question because just their can do in which. It said that about guide. Book is familiar in each person. Yes, it is right. Because start from on guardería until university need this kind of Drugs Unlimited: The Web Revolution That's Changing How the World Gets High to read.

Anna Gann:

Reading a publication tends to be new life style within this era globalization. With reading through you can get a lot of information which will give you benefit in your life. Using book everyone in this world can easily share their idea. Textbooks can also inspire a lot of people. Lots of author can inspire their reader with their story or perhaps their experience. Not only situation that share in the textbooks. But also they write about advantage about something that you need example. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors on this planet always try to improve their ability in writing, they also doing some research before they write with their book. One of them is this Drugs Unlimited: The Web Revolution That's Changing How the World Gets High.

Debra Sims:

Do you really one of the book lovers? If so, do you ever feeling doubt if you are in the book store? Aim to pick one book that you just dont know the inside because don't judge book by its include may doesn't work at this point is difficult job because you are scared that the inside maybe not seeing that fantastic as in the outside look likes. Maybe you answer may be Drugs Unlimited: The Web Revolution That's Changing How the World Gets High why because the excellent cover that make you consider regarding the content will not disappoint you actually. The inside or content will be fantastic as the outside or maybe cover. Your reading sixth sense will directly show you to pick up this book.

Robert Beaubien:

As a college student exactly feel bored for you to reading. If their teacher questioned them to go to the library in order to make summary for some e-book, they are complained. Just very little students that has reading's heart or real their passion. They just do what the instructor want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that examining is not important, boring in addition to can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Drugs Unlimited: The Web Revolution That's

Changing How the World Gets High can make you sense more interested to read.
