Fishers of Men: What Single Women Should Know About Looking for Husbands Oscar Crawford

The goal of love for a lifetime is a primary imperative for many women sorting through the rituals of dating, mating, and marriage with limited success in the era of fast food and technology. This book is a how to guide for women responding to the call of their biological prompts as efficiently as possible.

Fishers of men guides women through the process of developing self – awareness, discovering personal motivation, learning how to negotiate relationship, knowing where to fish for men and how. This is the book for women who have a zero tolerance for immature men who are going nowhere. This is for the serious woman who is willing to give and share all of her in the good times and the not so good times with the man, she loves.
