Green Goblin #13 October 1996 Tom Defalco

From Wikipedia: "The Green Goblin is a fictional character, a supervillain who appears in the comic books published by Marvel Comics. The character was created by writer Stan Lee and artist Steve Ditko, and first appeared in *The Amazing Spider-Man* #14 (July 1964). Although many characters have taken up this identity, Norman Osborn is the original and most well-known Green Goblin. Osborn was originally an amoral industrialist head of Oscorp and father of Spider-Man's best friend, Harry Osborn, who took a serum which enhanced his physical abilities and intellect but also drove him to insanity. He adopted a Halloween-themed appearance, dressing in a goblin costume, riding on a bat-shaped "Goblin Glider", and using an arsenal of high-tech weapons, notably grenade-like "Pumpkin Bombs", to terrorize New York City. He is one of Spider-Man's most persistent foes, and many consider him to be one of the archenemies of Spider-Man,[2][3][4] being responsible for numerous tragedies in Spider-Man's life, such as the death of Gwen Stacy and the Clone Saga. He was also the main character and lead antagonist of the company-wide Dark Reign storyline. Willem Dafoe played Norman Osborn and his alter ego the Green Goblin in the 2002 film *Spider-Man* as the primary antagonist. Dafoe made cameo appearances in both *Spider-Man 2*, and *Spider-Man 3* as Harry's hallucinations. In 2009, Norman Osborn was also ranked as IGN's 13th Greatest Comic Book Villain of All Time.[5] He also placed #11 on GuysNation's Top Villains of All Time. Comics journalist and historian Mike Conroy writes of the character: "Of all the costumed villains who've plagued Spider-Man over the years, the most flat-out unhinged and terrifying of them all is the Green Goblin."
