Hostage Three Nick Lake

As Amy sets out to sea with her family on a yacht, she's only thinking about the peaceful waters and the warm sun. But she doesn't get either after a group of pirates seize the boat and its human cargo, and the family becomes a commodity in a highly sophisticated transaction. Hostage One is Amy's father--the most valuable. Hostage Three is Amy, who can't believe the nightmare she's in. But something even stranger happens as she builds a bond with one of her captors, making it brutally clear that the price of life and its value are two very different things.

From one of today's most exciting contemporary voices in YA comes a commercial page-turner you won't be able to put down.
