Husbands wishing to be spanked by their wives. Really spanked and to atone for your misdeeds. Have your wife read this! As well put a paddle by their side as they do! Yes, hand them a kindle with first page open and this book! If your wife does the next sentence. Well I would sit on the pillow while she Reads the rest! Wives no time like present. He wants a few swats have him bend over and give him 3 big swats. Then put a pillow on the floor and point to it! If he speaks say “Quite or I will stop reading and this will be done!”

This is really a tough subject matter, and can encompass so many aspects of; sexual desires, self improvement, fantasy, dream world and more. I must start this by saying; if you are not seeking true discipline then this is not the place for you. I will discuss light bdsm, and the fantasy that might have brought you here. Overall though it will end with a new reality of PAIN, and CHANGE! Some husbands are looking around on the web for fantasy spankings. I assure you there is nothing fantasy about what is to follow. This is a short manual on true in home corporal punishment. Bottoms will be deep hues of purple when done. This book will help your spouse understand why domestic discipline should be a part of your life! It will also explain why taking it to a true corporal punishment is so important. This information is directed at punishing the male in the house. Not for punishing the wife this is about more of a FLR (a female lead relationship).

WHY SEEK SEVERE PUNISHMENT

Some husbands will seek out and receive spankings. Not just spankings but truly severe punishment. This will be against the belief of most humans. That a person will go out of their way to receive such treatment is inconceivable to some. It is on the other hand not that un-usual, in the history of mankind, it has a deep rooted context. Monks and others have self whipped for centuries. They find enlightenment and a level of mental satisfaction like no other from this practice. Before you reach out and call this behavior obscene or purely sexual do some homework. The subject matter is pretty well documented, through the history of man. Some say for a spouse to deliver such is controlling. Some say that to control someone, is truly not possible.
