THE SORRY I'M NOT SORRY SERIES- BOOK 2

'The voice of a generation.' -The International Business Times

It's Christmas Break, and instead of spreading yuletide cheer, Alexa Black is drowning her sorrows in beer. Her best friend TA just ditched her for 'that fugly hippo', as Alexa prefers to call her arch-frenemy Taylor Thompson; the guy she thoroughly enjoyed using as a hookup buddy for a whole semester is no longer talking to her; and if all that wasn't enough, her constantly-bickering parents are making her want to stick her head in the oven along with the Christmas cookies.

But Alexa Black is nothing if not resourceful, and soon she concocts a plan to turn her parents' marriage around, repair her friendship with TA, and most of all, ruin Taylor Thompson's life...

A plan that soon goes more explosively wrong than even Alexa and her elaborate fantasies could have ever imagined.
