## **The Trainer (The Redemption Series ) (Volume 1)** Shey Stahl

What if you had one night to reignite the passion and romance that time and distance had seemed to have forgotten? What would you do for just one night to captivate...one night to find the magic? Just one. When Tallan Spencer's high school crush, Silas Cade, is set to return home after five years, she'll do anything to impress this renowned rock star and show him what could have been, what might still be. The problem. She's only got six weeks before he comes back and she's determined to look the same as she did in high school. In an act of desperation, she hires a personal trainer to get her into drop dead gorgeous shape. And not just any personal trainer, but a previous heavy weight title boxer with an attitude. Destry Stone doesn't have time for games. He's angry at the world for what's been taken from him. One look at Tallan and he has to remind himself he's just paying off a debt. Though he doesn't agree with what she's doing, and who she's doing it for, he's forced to put his opinions aside. What he wants doesn't matter. Destry should be training to get his title back but instead he finds himself in the basement of a bar every night working one-on-one with a woman who is sheer perfection...and nothing more than a distraction for him. Or is she? What happens when he can't get this girl out of his mind when all she's living for is just one night? All he's living for is one more.
