Patrick Donovan and his friends live average teenage lives. For them, life in Southern California is dull, ordinary, and without adventure. But that won't last for long. They have no way of knowing that their lives will soon take an exciting turn, and that their choices will determine the world's course. Suddenly, in one night, their lives as they know them will inexplicably change forever as a mysterious girl exposes them to an unknown force. Endowed with unimaginable power, Patrick and his companions must evade the clutches of a secret society bent on turning them into living weapons while they also wrestle their inner demons. As they are thrown into this new reality, they adopt a new name – The Young Guardians. Now they must face the sinister realities of the world and bring peace and justice to the city of Los Angeles. With the mysterious power of darkness stalking them from the shadows, Patrick and his friends must struggle to survive in a world that has become plagued with the neverending crime waves that have terrorized Los Angeles for years. However, as The Young Guardians protect the City of Angels, a mysterious enemy lurks among the shadows, an enemy that is purely evil, unimaginably powerful, and seeks to destroy Patrick and his friends. With only The Young Guardians standing between the enemy and the downfall of the world, they must face a terrifying question: Will they survive the upcoming climactic battle and fulfill their quest for world serenity, or will they fail to triumph and watch the world turn to darkness? The powers of light and darkness collide in this tale of destiny, vengeance, and redemption.
